# HOLOCAUST SURVIVOR MEMOIRS

In 2005, the Azrieli Foundation established a collection of memoirs from Holocaust survivors to both share and preserve their stories. The collection is made up of tales told by survivors who came to Canada and is guided by the idea that each and every survivor has their own remarkable story to tell.

These first-person accounts allow readers to get a better grasp on what was lost and understand the enormity of this tragedy.

## TRAVELLING DISPLAY

The Holocaust Travelling Book Display consists of books from the Azrieli Foundation collection, along with classic and new Holocaust fiction and non-fiction chosen by Marigold Library System staff.
